*"I wanted to get experience of the working world while at university, so I decided to do an apprenticeship at a law firm. To achieve my main goal of becoming a lawyer, I set myself smaller goals to keep myself moving towards it."*

*Although sometimes I didn't always reach the goal I set for myself, by continuing to put the effort in I became more successful at tasks I had struggled with before. When aiming high, it is important to think about the thing you want to achieve and break it down into small steps."*
