

# Listening and speaking (communication)

Age range: 7-11

 **BARCLAYS** | LifeSkills

# Why are core transferable skills important

Problem solving

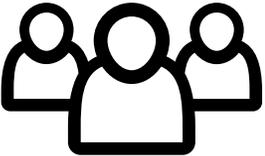

Listening and speaking (communication)

Creativity

Aiming high (proactivity)

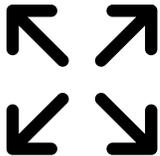

Leadership

Teamwork

Staying positive (resilience)

Adaptability

# What is listening and speaking (communication)?

Listening and speaking (communication) is the verbal and physical communication skills we use everyday to explain ourselves to other people, and to understand what others are telling us.

# Activity: Draw the design

What was challenging about being the describer?

## Case study 1: Emily

4

*"I work at a television production company and to balance my range of daily tasks the most important skill I need is good communication. I need to juggle lots of different tasks and make sure I'm listening to everything that's happening around me so I can support the team."*

*By using listening and speaking (communication) skills, it allows everyone to work well together to create a successful TV programme."*

# Case study 2: Izzy
